REAL ESTATE, INC.

718 Merwin St, Jewett

A country property that is enhanced with history and is extraordinary in so many ways. The elegant and light-filled main house was built in the 1700s and a few of its past residents include the founders of the Kirkman Soap company, the Colgate's and the Rockefellers. Within recent years the home has been tastefully restored preserving the original details and charm while incorporating modern day amenities. The Ballroom was rebuilt and steel beams were used, the seller spared no expense. Lose yourself for a moment while gazing at the picturesque grounds including a rolling meadow, barn, pond, stone walls, apple trees and mountain views. Step into this impressive home with soaring ceiling, unique curved windows and English cottage feel. Lots of built-in shelves, four fireplaces and a well thought-out layout with kitchen that is open to both a separate dining area and a family room with exposed beams, double sided masonry fireplace, and wide plank floors. Three bedrooms in the main house. *Sellers Representative: Coldwell Banker Village Green, Woodstock*
