Classic Clinton Corners

Meticulously renovated and restored historic home in the hamlet of Clinton Corners, built in 1830 and situated on one acre. This gem has been transformed from top to bottom to its current glory, including reclaimed historic pumpkin pine wide board floors throughout. Sliding barn system, split heating and cooling, horse fencing and chicken coop. The kitchen is to die for, with granite white countertops, Bosch dishwasher and gas range, osmosis kitchen water treatment, and new LG washer and dryer—the list goes on and on. Move in and enjoy, nothing needs to be done. 1.5 hours from the West Side Highway in New York (I timed it), and 60 seconds off the Taconic Parkway. Priced to sell. Don't hesitate, this beauty will not be on the market for long! EXCLUSIVE
