Copake Compound

Two architecturally exciting structures, each with miles-wide views, are the centerpiece of this rolling hills oasis. The two-level main residence was custom built for the current owners. Its large salon is defined by 20' high windows and a wood-burning fireplace. Personal privacy is ensured with a smart design that includes five bedrooms with ensuite baths, plus another large bedroom or office. The studio is steps away with its own mechanical systems, 4-car garage, two bedrooms and one bath upstairs, and a study/atelier with wood-burning stove. Entered by a gravelled drive off a private road, the grounds offer open meadows, mature trees and a refreshing spring-fed swimming pond stocked with carp – for good measure, there's another pond! Prime location 15 min. from Great Barrington, and 30 min. to Hudson, 2.5 hrs from NYC. EXCLUSIVE
