Rhinecliff Hamlet Home

This charming 1890s village home in the historic and welcoming hamlet of Rhinecliff rests in a beautifully landscaped private setting complete with koi pond and rock outcroppings. The house features a simple kitchen, nicely proportioned rooms and a screened sleeping porch on the second floor. Currently a 2 BR, the striking octagonal great room with fireplace and French doors to the yard could easily become a first floor master suite. The octagon shape has long been a symbolic architectural theme representing regeneration and renewal. And that is what this country property offers: simplicity and beauty. Includes a vintage guest cottage/artist studio. Walk to Amtrak and the Hudson River or drive 3 minutes into the vibrant and popular Village of Rhinebeck. EXCLUSIVE
