Rhinebeck Village Pink House

The pink house! As featured in June 2020 HGTV magazine, this house has real curb appeal with a very special interior to match. The stunning 1860s Victorian features a classic wrap-around front porch and an abundance of Victorian details. Many upgrades & improvements have been made while maintaining the original details, like the two original staircases, waistcoating and mantels. To the left of the foyer is the living room and off the bright kitchen is a beautiful sunroom. Dining room with French doors open to a convenient office space. Upstairs are four bedrooms and two full baths and a little craft room. On the lower level is a media room and wine cellar with an adorable little bar and wood stove. There is a deck for entertaining and in the large backyard is a wonderfully rustic fenced garden, a sweet little shed and a fire pit to enjoy chilly autumn Hudson Valley evenings. All this on Livingston, a quiet street around the corner from the center of the vibrant Village of Rhinebeck. EXCLUSIVE
